**COMMUNITY EDUCATION SEMINAR HOSTED BY PEFCU:  
BUILDING A BASIC BUDGET**

West Lafayette, Ind. – April 7, 2008 – Purdue Employees Federal Credit Union (PEFCU) invites the Greater Lafayette community to attend a free “Building a Basic Budget” seminar at 6 p.m., on Wednesday, April 16, at the PEFCU Financial Mall located at 1551 Win Hentschel Blvd., in West Lafayette. Registration begins at 5:30 p.m.

When we need advice about finances, many of us don’t know where to look. The common tendency is to do nothing. “It will work out somehow,” we tell ourselves. Whether you want to buy a home, put your children through school, or save for a comfortable retirement, you need to set a basic budget and stick to it. There are places to turn when you need financial advice. Start by attending this seminar and learning from PEFCU credit counselors about:

- Creating a basic budget
- Identifying “spending leaks”
- Setting short-term and long-term financial goals

The seminar is free and open to the general public. Complimentary refreshments will be provided. Seating is limited. Reserve your space by Tuesday, April 15, by calling 765.497.7455, e-mailing [mfederer@purdueefcu.com](mailto:mfederer@purdueefcu.com), or registering at [www.purdueefcu.com](http://www.purdueefcu.com) under “Events Calendar”.

Founded on the Purdue University campus in 1969, Purdue Employees Federal Credit Union (PEFCU) boasts assets exceeding \$475 million and serves more than 56,000 members nationwide. The credit union is driven by superior member service and is dedicated to serving the Greater Lafayette community.
